WELCOME TO SPRINGER PUBLIC SCHOOL

"Committed to nurture your child."

Message From Our Late Founder

"...A school is known by its students, a school is also known by its staff and teachers, and a school is also known by its results.

To maintain the highest teaching standards and personal attention, SPRINGER admits only 25 students in a section. Research has shown that less students in a class help teacher and the student to perform better. This science of 25 students has been put into practice by this school, the results of which are showing. Keeping less students in a section is easier said than done but SPRINGER has maintained this since its inception in 1992 with lots of faith and courage and patience. SPRINGER strongly believes that a teacher can teach with much more care and affection in a small class. Admitting only 25 students has helped the class to get maximum selection in Engineering, Medical, IITs, and other fields of excellence.

The prestigious results over the years of this school have been: I would like to mention a few of them like from this school we were able to produce a student who scored the highest rank in IIT-JEE from this part of the country 43rd AIR in IIT by Snigdha Chaturvedi, also a 3rd AIR in AIIMS was attained by a student Anoop Aggarwal, 16th AIR in CPMT Dhananjay Mishra.

To name a few were like Himanshu Maddhesiya (IIT), Vinay Gupta (IIT), Neha Prasari (CPMT), Astha Singh 95% (Board Topper), Rajan Sri (IIT), Priya Arora (CPMT), Alok Srivastava (NDA), Asima Siddiqui (CPMT), Osama Abbasi (IIT), Arushi Pandey (CPMT), Gyanendra Singh (NDA), Shyam Dev Rai (IIT), these are some names which we remember. As you can understand it is difficult to mention all the deserving bright students who are performing very honestly in their respective fields. So let's start with this year's board toppers - Shloka Srivastava 97% this year, Shweta Varshney 96.6%, Rahul Chaturvedi 93% and Mohammad Waqar at 95% topping the commerce stream, Smriti Gaur 91%, Abhishek Srivastava scored 94.8%, Faizad was at his best at 91.8%, Shikhar was at 94.6% and Dawood Sharif was at 91%..."

— An excerpt of Late Vaibhav Srivastava Sir's welcome speech at the 17th year School Celebration in the year 2009.

Secretary's Message

To maintain the highest teaching standards, Springer Public School admits only 25 students in a section, since the school began.

Springer knows that a good teacher - student ratio can make learning a joyful experience.

Welcome to the Springer Public School I hope I can share with you the excitement and vitality of this magnificent career developing school. Those of you already familiar with Springer know that we are unified by common values of excellence, achievement and forward goal setting. We are, first and foremost, a school focused on our mission to "provide an education of superior quality in a success oriented program which emphasizes academic excellence, individual expression and development."

We seek, through a broad and varied educational program, to foster in each of our students these core values: Striving for excellence in academics and personality development. Strong and powerful English speaking. A focus on discipline in every aspect. Personal growth, responsibility and accountability. We hope that you will get some feel for the breadth of our programs and the depth of our commitment to fostering excellence in our students. Springer Public School is a wonderful place to learn and to grow. All of us here are proud of our school and are targeted to enrich the lives of each individual student in whatever way we feel empowered..

Mrs. Shipra Srivastava
Secretary

INSPIRING RESULT

Springer has the Maximum number of selections in Engineering, Medical, Law & Commerce Entrance Examinations like IIT, JEE, NEET, AIMS, CA/CS and CLAT etc. among all the schools of the region.

Message From Managing Director

I take the pleasure in welcoming you to the **SPRINGER PUBLIC SCHOOL**, a unique school dedicated to the proper growth and development of each and every student for a better career prospect.

The school is all set to bring out the potential within each student and provide proper guidance under its coaching Program अर्जुन (A Hybrid School Program for Boards + JEE/NEET/CA/CS) so that their potentials can be utilized to make them future engineers, doctors, lawyers, CAs, Writers, Authors etc. capable of meeting any challenge that will be faced by them after moving to college.

SPRINGER PUBLIC SCHOOL provides full support to improve their communication skills, critical thinking abilities, moral values and sense of responsibility. All efforts are made to improve the creativity and problem solving abilities of the students so that they can contribute their best to the society and the country.

The infrastructure has been developed with most modern equipment having two Swimming Pools, Horse Riding, Shooting, Indoor Gaming room consisting of 8 Ball Pool Table, Table Tennis, Carrom, etc.

Also, **SPRINGER PUBLIC SCHOOL** was the first school not only in Gorakhpur but in the whole eastern UP to conduct Online Classes for the students in the times of Covid-19, since 20th March 2020.

We have one of the largest Chemistry Lab in the city along with Physics Lab, Biology Lab and Computer Science Lab consisting of latest equipments & technology. Provisions have also been made to upgrade the same keeping pace with the technological advancements of the time.

SPRINGER PUBLIC SCHOOL has a team of highly qualified, experienced and dedicated faculty who devote their time not only to teaching but also for the overall development of the students. Further, faculty from other renowned institutions are invited to deliver guest lectures to help augment their studies beyond syllabus. We are confident that the students passing out from our school will be technically sound, confident and have good leadership skills.

I wish all the best to all the prospective students.

Er. Arjun Vaibhav Srivastava
Managing Director

Message From Principal's desk

It gives me immense pleasure and feeling of accomplishment to address you as the principal of this prestigious institution. Since its inception in 1992, under the aegies of The Springer Education Foundation, the School has been striving towards maintaining high academic standards and excellence in the field of overall development of the students. We are committed to provide our students an environment which will help them to attain their highest potential.

When we talk about curriculum, we mean planning and involving implementation of different types of instructional strategies. The web of our curriculum is unique. We advocate activity based learning, thus blending cognitive, effective and psychomotor domain of the process. Children are valued for their skills and atmosphere in the school ensure them holistic development. We believe that 'Education is not only the learning of facts but training the mind to think.' Promoting a positive school learning environment is our goal and we work on that by a process of continuous improvement of teaching and learning.

We have a dedicated team of faculty striving hard to provide the students with the latest knowledge and skill that would help them to stand out in this fiercely competitive world. Our campus is vibrant with energy, enthusiasm and activity. The environment is congenial for learning and it is up to you to take the full advantage of the opportunities and exploit your potentials.

I welcome you to Springer Public School and it will be our Endeavour to make your experience very enriching and memorable.

Tushar Sagar Nandy
Principal

Individual Attention Plan (IAP)

With only 25 students in a class,
a Springer teacher can give
time and attention to each child.

SPRINGER PUBLIC SCHOOL

believe that best way to teach child is by giving her/him individual attention, care and love. At Springers, teachers realize that each child is different and has her own special talents.

That's why at Springers, the number of students realize that each child is different and has her own special talents. That's why at Springers, the number of students taught by a teacher is kept extremely low. This helps Springer teacher to give extra time and attention to each child. The needs, interests and talents of each student are kept under constant evaluation.

At the start of the academic year, an Individual Attention Plan (IAP) is developed for each child. This IAP helps to identify and expand each student's individual gifts by making them self-confident. With the extra attention that each of our students get, they learn logical and critical thinking skills and pursue their creative and imaginative impulses. efforts they have to give. A Springer teacher takes pride in providing personal care and love to each of her student.

Each day in **Springer Littles** is special

The Springer Littles attempts to make children "life time learners" and successfully allows children to enjoy their magical years . Springer Littles aims at providing education, which instils confidence, enables students to explore their surroundings and learn through fun and play.

The emphasis is on all-round development which encompasses emotional and social development, gross and fine psychomotor skills, language development and academic skills. Teachers are friend, confidante, guide and counsellor to each of their students.

Since class composition is small, interactive communication and personal attention are available to each child. With assistants as back up support and special teachers for music, games and sports, school time is well-planned. The sprawling green lawns, a child friendly play area, a splash pool and a library make the child's school day a veritable treat.

In the 3 to 5 years age group, Springer has 3 classes - the Play Class , Lower and Upper Kindergarten. There is no stress on rote learning. Readiness for literacy and numerical skills is gradually created. At all times the individual child's pace of development is respected. Each day is designed to provide knowledge and fun

The following activities are taught in Kindergarten:

MUSIC

To develop a musical ear and appreciate music, the school has regular singing classes.

STORY TELLING

Pupils are encouraged to be imaginative and learn values through story telling session.

This also helps them to comprehend in English and Hindi.

WATER PLAY

A splash pool allows children to indulge in lots of fun activities in the warm months.

THE LEARNING CENTER

The school has a learning centre, which organizes computer and multi-media sessions for children. It has a vast collection of interactive compact discs. The children are motivated to be computer savvy.

ENGLISH CONVERSATION

English speaking and conversation is an extremely important focus area at Springers.

Each student is assisted in developing his or her English speaking and conversation skills to the maximum. Teachers utilize state of the art audio-visual techniques to increase English speaking powers of each student.

FRIDAY CLUB

Fridays are "occupational activity days" where children come with a toy. Gardening, painting and working with clay, etc., it is their day to experiment with nature's Bounty.

PARENTAL INVOLVEMENT

Parental participation is encouraged in a big way. Orientation programmes are held regularly to create awareness among parents and to highlight the important role they play in developing their child. Teachers appreciate parents participation with a special project, reading a story, telling about a family tradition, preparing a snack or sharing special interests and talents.

The School

Grade I-XII is all about learning with interactive learning aids, display boards, library and activity zones. Students are exposed to myriad learning tools and stimuli to develop their varied intelligence.

PRIMARY SCHOOL

Teachers maintain close communications with parents through weekly progress reports and scheduled conferences. Classroom learning is supplemented with activities such as science and social studies fairs, field trips and special assemblies.

The Library is well-equipped with computer access to the finest student resources and information centres in the world. Student Council, Junior Thespians, and Maths Superstars are just a few of the clubs and activities offered to Lower School students.

THE JUNIOR SECTION AND THE HIGH SCHOOL

IT labs adequately equipped for junior and senior students have the latest facilities to familiarize students in using computers. Technologically advanced Wi-Fi system installed integrates the entire school with network for multimedia, internet and email. The focus here will be on guided learning and self-learning. the Library Contains a wide range of fiction & nonfiction books, folk & fairytales, Magazines periodicals and reference material for students and staff. Springers aims to offer the finest education for its students with all the individual care which can be given to them. The School aims at developing the overall personality of each child by going beyond the prescribed education pattern. Care has been taken to develop a curriculum that lays emphasis on the development of personal attributes like communication, leadership, decision-making, public speaking and other skills.

DESIGNED TO BREATHE LIFE INTO EDUCATION

The School is designed to be an ideal grooming ground future citizens. The ergonomically designed infrastructure enhances the teaching and learning experience. The classrooms are IT enabled that make learning interactive and enjoyable. The School has hundred percent power backup and RO filtration plant for drinking water. Kindergarten & primary sections have their own individual learning and activity areas with the age and curriculum appropriate resources required.

COUNSELLING IN PASTORAL CARE

Our in-house counsellor and trained teachers help the children to cope up with psychological stress due to peer, academic pressure etc. The students of the School are individually well looked after in its friendly environment. Lot of support and encouragement is given to students and their physical, moral, personal and social well-being is taken care of. With this the school aims to compliment parents in the task of boosting in children the growth of sound values and self-discipline and achieving socially acceptable norms of behaviour. The school organizes an orientation session at the beginning of each academic year.

Circulars are sent on a regular basis. Parent teacher meetings are scheduled four times a year. Parents are encouraged to take an active part in their children's development and growth and sharing special interests and talents.

"Leader and Motivator,
Friend and a Guide,
Role model and Mentor."

THE TEACHER

We have a talented, dedicated and caring team of staff, each of whom works very hard to ensure that the abilities of the children in our care are nurtured and carefully developed.

Our teachers and teaching assistants are experienced, and work as a team to make the school a very special place, every day, for the child. They are truly effective in leading by example by the opportunity of Learning to innovate & Innovating to learn. Comfortable attending ,regular and extended teacher training programmes are arranged to update and continuously realign subject content and pedagogy.

Our teachers are always empowering students to explore individual talents and become lifelong learners to work as a team and as selfless members of world community.

Guru-shishya Parampara is the bedrock of academic, professional & pastoral life.

MUSIC, DANCE & THEATRE

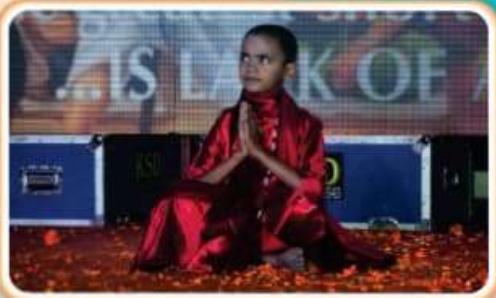

Acoustically treated music room and dance room for training students in Vocal/Instrumental music, Indian Classical/Folk/Western dance and theatre are also.

Available in the school campus.

CO-SCHOLASTIC ACTIVITIES

Developmental activities like music, dance, hobbies, yoga & pranayama, games, sports and various competitions form a part of CCA. The hobby centre provides engaging activities like pottery, gardening, electronics, first aid, wood craft, robotics etc in which children collectively learn and develop their individual interests.

TRANSPORT FACILITY

The transportation of students is quick and convenient due to buses with a well planned routing. The school also plans to have GPS based School Bus tracing and control system for safety of its students and information to parents.

LANGUAGE LAB

The School has introduced a language lab and will be the first school in Gorakhpur to own one. Eng. Language Lab will be equipped with langa phones, CDs where students get a chance to hear correct pronunciation and enhance their vocabulary from listening and watching.

LIBRARY

A good modern library at Springer Public School subscribes to all the important newspapers and periodicals. Books, newspapers and periodicals are the main features of a library and they represent the endeavours, achievements and glory of writers, statesmen, scientists, philosophers and saints. In short, a library is a place to come and read books, newspapers and periodicals and remain well informed and well equipped for life.

SCIENCE LABS

The Science Labs at School gives ample opportunity to the learners to use the Lab to the optimum, to actually learn by doing. Various educational kits, puzzles of human organs, etc. enrich this unique lab. The young and inquisitive minds become the stakeholders of their studies and set to explore more and more here. Separate Physics , Chemistry, Biology and Computer Labs are specially designed to meet the requirements of ICSE and ISC students.

HEALTHY DEVELOPMENT OF CHILDREN THROUGH SPORTS

Sports and physical education is fundamental to the early development of children and Youth. The skills learned during play, physical education and sport contribute to the holistic development of young pupil. Through participation in sport and physical education, children learn about the importance of key values such as :Honesty, Teamwork, Fair play & Adherence to rules.

Sports play an important role in shaping up the personality and fitness of a person. To give a truly global experience to all the students studying at the School, it is important that there is a wide variety of sports facilities to keep students engaged and physically fit. The school seeks to expand and provide support to every individual to pursue the sport of his/her choice. Also, the School conducts inter-school tournaments in different games. School has both indoor and outdoor stadium to provide facilities for games like Basketball ,Volleyball, Cricket, Football, Table Tennis ,Carrom and Yoga. Separate Swimming Pools for juniors and seniors ,Gymnasium and Horse Riding facilities are also there. The school also holds an Annual Sports Meet in December, around Christmas time.
